Dear Wendy,

I can confirm that the County Council does not have comments to make regarding the designation of a Neighbourhood Area by Sutton Parish Council.

Neighbourhood planning must be considered in the context of the National Planning Policy Framework. Neighbourhood Plans must be positively prepared to achieve the best social, economic and environmental outcomes for an area. Neighbourhood Plans will also be in general conformity with the strategic policies of the adopted development plan for the local area, i.e. the high-level strategic elements in the Local Plan that are essential to delivering the overall planning and development strategy for the local area.

The County Council looks forward to working with Sutton Parish Council in the future as the Neighbourhood Plan emerges.

Kind regards,  
Judit
