Dear Ms Seymour,

Application by Sutton Parish Council to designate Sutton Parish as a Neighbourhood Area

I am writing to inform you that the application for the designation of the Neighbourhood Area for Sutton Parish was considered by Full Council on 8th January 2015. Council resolved to approve the application as submitted. Members resolved not to approve the Neighbourhood Area as also being a Business Area.

You may wish to attach this letter to the Decision List for Full Council.

I attach consultation responses from three statutory consultees for your information. If you have any queries about the consultation responses, please contact my colleague Wendy Hague. Separately, and depending upon the scope of any Neighbourhood Plan that might be produced, you may wish to look at a report outlining guidance for Sustainability Appraisals. The link is below:

May I take this opportunity to wish the Parish Council every success in this endeavour.

Yours sincerely,

Richard Kay
