

East Cambridgeshire
District Council

Application for Designation of a Neighbourhood Area by Sutton Parish Council

Have your say

The application is the first step towards preparing a neighbourhood plan. A neighbourhood plan can establish planning policies for the development and use of land. The current consultation relates to the boundary of where a future neighbourhood plan can be prepared for. East Cambridgeshire District Council wants to have your views.

Further information relating to the application and questionnaires are available from <http://www.eastcamb.gov.uk/local-development-framework/neighbourhood-planning>. Paper copies of the questionnaire can be requested from the Strategic Planning Team on 01353 665555.

The consultation runs from November 19th – 31st December (5pm)
